

WAREHOUSE OPERATIVE / DELIVERY DRIVER

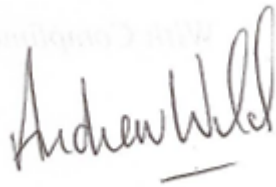

We are looking for a keen and energetic person to join our growing team at Wilds. The position will be a mixture of warehouse work, but it would be essential that the successful applicant would hold a UK driving licence, so that they could add back-up to our drivers and help out with deliveries at peak times. The successful applicant will need to be flexible about working late when business levels demands it. The job is quite physical and so the applicant must be fit and strong.

Details:

- Wilds deliver beers, wines, spirits, soft drinks etc to accounts in Greater Manchester.
- We run a fleet of Transit size vans, covered under a normal driving licence.
- We are open 7 days a week, and are only closed on Christmas Day and New Years Day.
- The position is a full-time position and the successful applicant will be expected to work at least one of the weekend days.
- 28 days annual holiday entitlement.
