Perfect Pairings

Pale ales suit a wide range of foods because they don't compete with flavours.

Why not try classic fish and chips with a squeeze of lemon to bring the citrus notes out of Landlord?

Roast duck, poached salmon or roast beef also work well.

Landlord has won more awards than any other beer. It has the unique distinction of winning both CAMRA's Champion Beer of Britain and the Brewing Industry Challenge Cup four times. Below are a sample of recent wins.
